

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products in order to increase the productivity and ensure efficiency within industrial, commercial and residential environments. They pride themselves in providing products in order to enhance the security, health, safety and comfort of individuals all around the globe all through their four worldwide segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building parts support, advanced controls and services used for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies sector provides products and solutions which improve their clients' energy efficiency, productivity and operations. The product range is diverse ranging from tools and pumps, material and fluid handling systems to complete compressed air systems. They have even developed Club Car, the worldwide leader in utility and golf vehicles meant for companies and people.

Trade names like for example Trane and Schlage provide residential solutions that offer efficiency, comfort and safety to home owners across North America. Their innovative products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

The sector comprising Security Technologies offers products that ensure safe, productive and secure surroundings. This division's market leading products consist of door and floor closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel doors and frames and locks, decorative hardware and locksets. Popular brands like for example Schlage even provide personal, time and attendance scheduling systems.
